June 2023:
EU enforces Deforestation-free Products Regulation (EUDR)

FSC is the most credible global sustainable forestry solution. FSC delivers on numerous EUDR requirements

From June 2024
The **FSC EUDR TOOLBOX** will enable companies, operators, and traders throughout the forest supply chain to meet their EUDR obligations.

From January 2025 the first of **FSC's NEXT GENERATION RISK ASSESSMENTS**, covering all EUDR requirements, become available, providing one standardized Risk Assessment for each prioritized country.

THREE STEPS TO COMPLIANCE
