

Status update #7 on the disassociation of FSC from APP

16 August 2018

The Forest Stewardship Council (FSC) has decided to suspend the process to design a roadmap for ending disassociation with Asia Pulp and Paper (APP).

FSC has taken this decision in order to reassess the roadmap process while it awaits further information from APP related to its corporate structure and alleged unacceptable forest management activities by companies thought to be related to APP. Dialogue with APP will continue in view of ensuring full disclosure about these issues.

APP remains disassociated from FSC, until such time as it has fulfilled the requirements set by FSC.
