Join us on 25 September 2009 for the 1st International FSC Friday!

Celebrate forests around the globe, and help promote responsible forest management worldwide.

The vision of the Forest Stewardship Council (FSC) is that the world's forests meet the social, ecological and economic rights and needs of present generation and future generations. On FSC Friday, we invite you to be part of the solution by joining events around the globe and showing your support of FSC.

Host a partner event on FSC Friday!

Businesses, organizations and individuals can support FSC Friday by hosting a partner event.

Open door days, forest walks, workshops, school talks, new FSC certified product launch, employee and client education – there are many ways you can be an FSC Friday partner...

Contact: fsc@fsc.org or visit www.fsc.org/fscfriday.html

Be part of the solution!

Spread the word, participate in events around the globe, buy FSC certified products, become FSC certified, become an FSC member...

FSC is an independent, non-governmental, not for profit organization established to promote the responsible management of the world's forests. It provides standard setting, trademark assurance and accreditation services for companies and organizations interested in responsible forestry. Products carrying the FSC label are independently certified to assure consumers that they come from forests that are managed to meet the social, economic and ecological needs of present and future generations.
