These organizations are accredited by the Forest Stewardship Council to certify forest management enterprises that comply with the FSC Principles and Criteria for Forest Stewardship. Accreditation covers plantation and natural forest certification. They are also accredited to verify the chain of custody of certified forest products. Accredited certification bodies may issue sub-licenses allowing the use of the FSC name and Trademark on certified forest products. This following list includes the main office of the accredited Certification Body. In addition, many Certification Bodies operate directly and through affiliated organizations in different countries around the world please check the Certification Bodies own website or contact them directly for details.
